

**CELEBRATE
PHILANTHROPY**

This year, Merion Mercy mourned the loss of one of our most esteemed alumnae and generous benefactors, **Frances McLaughlin Maguire '53**. Mrs. Maguire was an acclaimed artist and philanthropist. She continues to ignite the passion for art at Merion Mercy, which is thriving at the Frances M. Maguire Art & Design Gallery. This state-of-the-art facility articulates her legacy for future generations of MMA students. Mrs. Maguire's generous heart and creative spirit inspire further generosity and creativity from the very place where she was a student.
